

Canada to U.S. Next-Day Service Request

Must use 1 request form for each pro number
Use only for lanes serviced next-day

Instructions:

- Next-day service is only available between select U.S. and Canadian points.
- Completely fill out one form per each next-day Canada to U.S. shipment (PRO).
- All four sections are REQUIRED and must be completed accurately to avoid delays at the border crossing.
- Fax or e-mail this form along with your shipping and clearance documents to the appropriate FedEx Freight Canada gateway service center*.
- FedEx Freight Canada must receive this form along with shipping and customs documents no later than 3:00 p.m. local time in order to process clearance paperwork and clear the shipment in time to cross the border for next-day delivery. If you send paperwork directly to your broker, also fax or e-mail copies of the request form and all other documents to FedEx Freight Canada for mandatory Automated Commercial Environment (ACE) compliance (also by 3:00 p.m. local).
- The Canada to U.S. Next-Day Service Request Form must be attached to the Bill of Lading and other paperwork you provide to your FedEx Freight Canada driver.
- Contact the FedEx Freight Canada Solutions Team at 1.866.393.4685 with any questions.
