

# Harness the power of the FedEx network to drive your business forward

At FedEx we always put you, our customer, at the heart of everything we do. We are continually working to improve all aspects of our service so that we not only meet but exceed your expectations.

**Internationally**, since its inception in 1973, FedEx has developed an unparalleled air and road network serving over 220 countries and territories worldwide. With its own fleet of 688 aircrafts and more than 90,000 vehicles, we are now able to handle more than 8.5 million packages every day.

**In India**, FedEx began its operations in 1984 and in the past two decades we have more flights to and from India than any other cargo company. We also provide a complete range of services for all your commercial and non-commercial consignments.
