Express

FedEx International Priority®

What can you send?

As much or as little as you like, up to a maximum weight of 68kg per item.

- Documents and packages⁽²⁾
- You can ship up to 999 different packages, and up to ten different commodities, on the same international Air Waybill.

Shipping requirements

- Packages can be up to 274cm in length or a maximum of 330cm in length and girth combined (girth = 2 x height + 2 x width)
- Any package that exceeds these dimensions will automatically be considered to be FedEx International Priority® Freight and will be billed accordingly.

Pricing

- Drop-off discount of £4.00 per shipment or your usual discount (whichever is the greater)
- Volume discount

Customs

- FedEx International Priority® includes fast and effective customs clearance.
- Declared value for carriage must not exceed declared value for customs.
- FedEx no longer applies a limit on customs value for regular international shipments. A limit may still apply depending on destination and commodity shipped. Please call Customer Service for information or visit our website fedex.com/gb.

(1) Transit times and delivery commitments may vary depending on origin and destination. Please contact Customer Service for further details.

(2) Please contact Customer Service for details or restrictions per country.

(3) FedEx money-back guarantee: full details are available in our Conditions of Carriage.

Online shipping with FedEx – it's easy

Let FedEx technology work for you

- **FedEx Ship Manager®** at fedex.com is a web-based shipping application that lets you handle the entire shipping process online. Just go to fedex.com/gb, register for a User ID and password, and you are ready to organise your shipments.
- **FedEx® Global Trade Manager** is a FedEx online tool that can help you find the necessary documents and paperwork for your international shipments and can also estimate duties and taxes.
