Rates are effective January 4, 2010.

To calculate rates:

- Refer to the Table of Destinations for FedEx International Priority®.
- If your shipment weighs more than 50lbs, use the "Rates per lb." table.
- For the "Rates per lb." table, multiply the total shipment weight by the rate shown under the destination you are shipping to.

FedEx reserves the right to change the applicable services and costs at any time without notice. Rates do not include taxes. The rates in this guide apply to packages picked up at the customer's location. You may also drop off your shipment at one of our FedEx staffed drop-off locations or a FedEx Express® Drop Box. Shipments may be subject to: value-added taxes, dimensional weight fees, fuel surcharges, taxes and tariffs. Other surcharges include, but are not limited to: declared value for transport, advances of customs and tariff fees, address correction, delivery outside of service area, Saturday delivery, non-account billing.

For additional services and important information about FedEx rates, please go to fedex.com and click the link "Rate Information".

*FedEx serves more than 220 countries and territories. Please contact your local FedEx office to verify countries served.
