### Determine FedEx International DirectDistribution Rates, including IPD, IDF and IED

1. Find the zone for your destination in the zone table.
2. Determine your total shipment weight (round up to the next-higher kilogram).
3. Multiply the per-kilogram rate shown in the rate table by the total shipment weight.
4. Multiply the per-address charge shown in the rate table by the number of addresses in your shipment.

# Surcharge and Other Information

(For Export IPD, IDF and IED services only)

## Singapore

### Fuel Surcharge

The surcharge percentage is adjusted monthly, based on the US Gulf Coast Jet Fuel Index, and this percentage is applied to the total transportation charge (go to [www.fedex.com/sg](http://www.fedex.com/sg) for the prevailing fuel surcharge rate and a sample calculation).

### Special Handling Fees

Address Correction: <sup>1</sup>	SGD 10.00 per delivery address
Saturday Delivery: <sup>1</sup>	SGD 17.50 per delivery address
Piece Count Verification: <sup>2</sup>	SGD 72.00 per package or SGD 0.88 per kg, whichever is greater
Appointment Delivery: <sup>2</sup>	SGD 64.00 per delivery address
Out of Delivery Area Surcharge (ODA) <sup>3</sup>	SGD 14.00 per delivery address or SGD 0.80 per kg, whichever is greater
Residential Delivery Surcharge:	SGD 4.00 per IPD delivery address or SGD 160.00 per IDF delivery address (applicable to US & Canada destinations only). If the ODA Surcharge is applied to a shipment, the Residential Delivery Surcharge will not apply.
Inaccessible Dangerous Goods:	SGD 140.00 per shipment
Dry Ice Surcharge (effective 23 January 2012):	SGD 6.50 per shipment. If a shipment contains both dry ice and dangerous goods, only dangerous goods charges are assessed. The dry-ice surcharge is not assessed.
Duty and Tax:	If duties and taxes are levied on a shipment and FedEx pays them on behalf of the party responsible for payment, then that party must reimburse FedEx for the duties and taxes themselves, plus a FedEx surcharge that is based upon the type of shipment and its destination. Please contact our Customer Service team for details.
Declared Value Charge for Carriage:	Liability of Fedex for loss, damage or delay of your shipment is limited to the greater of about USD20.00 per kilogram or USD100.00 per shipment. The exact limitation may be expressed in Special Drawing Rights or local currency and the exact amount will vary depending upon the country of origin and currency. If you desire that FedEx assumes liability for a greater percentage of the actual cargo value, then you must declare the value for carriage on your air waybill and pay a "declared value surcharge". The "declared value surcharge" for Export shipments in Singapore is equal to SGD 0.80 per SGD 200.00 (or fraction thereof) by which the declared value for carriage exceeds the greater of: (i) SGD 200.00 or (ii) SGD 19.80 per pound. The following maximum declared value for carriage will apply. Please contact our Customer Service team for details.  Maximum Declared Value for Carriage (may vary by destination) International Priority DirectDistribution/Economy DirectDistribution (IPD/IED): USD 50,000.00 (or equivalent value in local currency) International Priority DirectDistribution Freight (IDF): USD 100,000.00 (or equivalent value in local currency) Shipments containing items of extraordinary value such as artwork, antiques, glassware, jewellery, precious metals, furs, etc.: USD 1,000.00 or USD 20.00 per kg, whichever is greater

### Weight Information

Total shipment weight is unlimited. The maximum weight per package may be adjusted. Please contact our Customer Service team or Sales team for details.  
Rates are calculated on the total weight of all packages on one international air waybill. Any fraction of a kilogram is rounded up to the next higher weight break. Such rounding may cause a variance in dimensional weight (volumetric weight) calculations. Please note that the rates stated on FedEx's invoice shall be the final and official rates.  
Additional charges may be assessed for shipments below a certain weight density. The dimensional weight (volumetric weight) (in kg) of an IPD/IDF/IED shipment is calculated as follows. Please contact our Customer Service team for details.

#### Length x Width x Height (centimetres or inches)

5,000 for centimetres or 305 for inches

### Footnotes

<sup>1</sup> This surcharge is applicable to IPD and IDF only.

<sup>2</sup> This surcharge is applicable to IDF only.

<sup>3</sup> FedEx imposes a surcharge for shipments to areas outside those in which its own couriers deliver cargo (ODA areas).

### Miscellaneous Information

- These rates, valid until further notice, are only available to customers who remain in good standing with their FedEx account and settle their invoice promptly.
- FedEx reserves the right at any time to amend, modify, or discontinue discounts without prior notification.
- As noted above, various surcharges and fees may be imposed on your shipment in addition to the prices noted on this ratesheet. By tendering your shipments to FedEx, you agree to pay the surcharges as determined by FedEx.
- Please note that your shipment is governed by several documents: your discount-pricing letter agreement with FedEx (if applicable), the Conditions of Contract printed on the FedEx Air Waybill for your shipment, the FedEx Service Guide, the FedEx Standard Conditions of Carriage, and/or FedEx International Terms and Conditions in effect at the country of origin. These documents provide for the above surcharges, fees, and other important terms that you should review. If you need assistance or desire additional information, please contact our Customer Service team.
