Fuel Surcharge	Weight Information
<p>The surcharge percentage is adjusted monthly, based on the US Gulf Coast Jet Fuel Index, and this percentage is applied to the total transportation charge (go to www.fedex.com/sg for the prevailing fuel surcharge rate and a sample calculation).</p>	<p>Based on IATA dimensional (volumetric) weight standards, additional charges may be assessed for shipments below a certain weight density. The volumetric weight (in kg) of an International Economy shipment is calculated as:</p>
<p>Special Handling Fees</p>	<p>Length x Width x Height (cm or inches) (then divided by 6,000 for "cm" or divided by 366 for "inches")⁺</p>
<p>Address Correction: SGD 10.00</p> <p>Third Party Consignee Surcharge: SGD 17.50 per shipment</p> <p>FedEx International Broker Select: SGD 21.00 or SGD 2.31 per kg, whichever is greater</p> <p>Out of Pickup Area Surcharge (OPA): SGD 14.00 or SGD 0.80 per kg, whichever is greater</p> <p>Out of Delivery Area Surcharge (ODA): SGD 14.00 or SGD 0.80 per kg, whichever is greater</p> <p>Accessible Dangerous Goods: SGD 140.00 or SGD 3.00 per kg, whichever is greater</p> <p>Inaccessible Dangerous Goods: SGD 140.00</p>	<p>Notes</p> <ul style="list-style-type: none"> Total shipment weight is unlimited. The maximum weight per package may be adjusted. Please contact our Customer Service team or Sales for details. Rates are based on the total weight of all packages on one international air waybill. Any fraction of a kilogram is rounded up to the next higher weight break. <p><small>*Exact volumetric weight will be based on IATA volumetric weight standards (using cm or inches) and is subject to change.</small></p>
<p>Duty and Tax: In the event that duties and taxes (including Goods and Services Tax and Value-added Tax) are incurred on any given shipment and that FedEx pays such duties and taxes on behalf of the payer, the payer will be required to pay a surcharge assessed according to the type of shipment and the shipment's destination. Please contact our Customer Service team for details.</p> <p>Declared Value Charge for Carriage: FedEx liability for loss, damage or delay of a shipment is limited by the terms and conditions stated in the air waybill. FedEx does not provide cargo liability or all-risk insurance, but for an additional SGD 0.80 per SGD 200.00 of declared value, FedEx maximum liability for loss, damage or delay will increase to that declared value. Please contact our Customer Service team for full details.</p> <p>Maximum Declared Value for Carriage: USD 50,000.00 (or equivalent value in local currency) (may vary by destination)</p> <p>The maximum declared value of carriage is USD 500.00 or USD 20.00 per kg, whichever is greater, for shipments containing items of extraordinary value such as artwork, antiques, glassware, jewellery, precious metals, furs, etc.</p>	<p>Miscellaneous Information</p> <ul style="list-style-type: none"> These are promotional rates, valid until further notice, and apply to customers who remain in good standing in their Singapore FedEx account and settle their invoice promptly in Singapore. FedEx reserves the right at any time to amend, modify, or discontinue discounts without prior notification. Duties and taxes and/or Value-added Tax may be levied. Any such charges will be billed to the recipient, unless instructed otherwise by the shipper. FedEx reserves the right to assess fuel and other surcharges on shipments without notice. By tendering your shipments to FedEx, you agree to pay the surcharges as determined by FedEx. Please contact our Customer Service team for complete information on our destination coverage and service commitments. Freight/transportation charges herein are conditional upon shipments being governed by the Conditions of Contract on the FedEx Air Waybill and the FedEx Standard Conditions of Carriage. Prohibited commodities such as firearms, perishables and dangerous goods may not be shipped with FedEx.
