Caribbean Transportation Solutions Specialized Services

Temperature Controlled

When your shipment must stay cool from pickup to delivery, you can count on FedEx Express Caribbean Transportation Solutions.

Cargo/Freight Preparation

When requested, we can provide experienced personnel to prepare your shipments at origin, including build-up, palletizing, and shrink wrapping and can also breakdown your shipments at destination.

Document Preparation

When requested, we can provide export documentation assistance. Our export services can help ensure your cargo reaches its destination on time and with all the documents required to facilitate customs clearance. We can help you reduce delays and missed deadlines. You can choose what works best for you. Examples of our document preparation services include:

- Preparation of BOL/AWB
- Preparation of additional TACM or IT Entry form
- Preparation of additional Carrier's Certificate/Release Order
- Filing of AES paperwork
- Presentation of export paperwork to Customs for authentication

View FedEx Express Caribbean Transportation Solutions Standard Conditions of Carriage.

Inside Pickup & Delivery

Do your needs extend beyond the loading area? When requested, we may move shipments to positions beyond the adjacent loading area. In doing so, we will assess an inside pickup and or delivery charge in addition to all other applicable charges.

Hazardous Material Service

We can provide reliable delivery solutions and support when your express shipment contains dangerous goods. There are special handling fees that apply to shipments containing dangerous goods. Surcharges are based on classification and type of special handling required, including whether the items need to be accessible during shipment. Shipments subject to IATA Dangerous Goods Regulations will be charged a special handling fee.

COD Service

We offer collect on delivery options, a great way to expand payment options for your customers.

Specialized Service Fees

Specialized Service	Charge
Temperature-controlled	\$300.00 Minimum Additional Charge (check with local office for specific charges)
Cargo/Freight Preparation	Available upon request. Please contact your sales professional.
Document Preparation	\$35.00 — Northbound & Southbound
Inside Pickup & Delivery	Available upon request. Please contact your sales professional.
Hazardous Material Service	\$150.00 per waybill for first UN Number, plus \$100.00 per additional UN Number
COD Service	The greater of \$25.00 or 3% of the COD amount

Above lists reflect the most common Specialized Service Fees available to our customers. Your specific Account Profile Accessorial Fees supersede above. Please check your local office for other charges that may apply.

Other Charges	Description
Fuel Surcharge	We reserve the right to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx Express.
Excess Valuation	Shippers have the option to declare a value for carriage on the air waybill. This declaration may be a specific amount or NVD (No Value Declared). Shippers declaring value for carriage may be subject to a fee, if the value declared exceeds the CTS standard limits of liability. For details, please contact your sales professional.
Dimensional Weight (Volumetric Weight)	Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package or per-shipment basis to all shipments in customer packaging. Dimensional weight is calculated by multiplying length by width by height of each package (all in inches) and dividing by 166 for international shipments and 194 for shipments between the U.S. and Puerto Rico.
Saturday Delivery	When delivery on a Saturday is requested, we reserve the right to assess a fee which varies based on destination and shipment size.
