

U.S. to Canada Next-Day Service Request

Must use 1 request form for each pro number
Use only for lanes serviced next-day

Instructions:

- Next-day service is only available between select U.S. and Canadian points.
- Completely fill out one form per each next-day U.S. to Canada shipment (PRO).
- All four sections are REQUIRED to avoid delays at the border crossing.
- Fax or e-mail this form along with shipping and clearance documents to FedEx Freight International Clearance (FFIC) at 1.870.391.2474 / intlnextday@fedex.com or directly to your customs broker.
- FFIC and/or your customs broker must receive this form and all completed paperwork no later than 3:00 p.m. local* time in order for the shipment to pre-clear customs in time for the shipment to cross the same evening as pickup. If you send paperwork directly to your broker, also fax or e-mail this form to FFIC by 3:00 p.m. local* time.
- The U.S. to Canada Next-Day Service Request Form must be attached to the Bill of Lading and other paperwork you provide to your FedEx Freight driver.
- Timely clearance is based on the importer's customs broker performing a timely customs entry.
- Contact FedEx Freight International Clearance at 1.800.351.5187 with any questions.

*To Ontario and Quebec use Eastern Time. To British Columbia use Pacific Time.
