Customized online tools make your job easier and more efficient. That's why we provide one Web site to access all the tools you need for your LTL (less-than-truckload) shipping. From regional to long-haul shipping needs, everything is right at your fingertips with our integrated Web site.

Below is an overview of our user-friendly **Get Transit Times** feature:

1. The Transit Times application highlights the service times between FedEx Freight® and FedEx National LTLSM locations, giving you the opportunity to select the best service option for your business needs.

Key features:

- Search by city or ZIP code.
- Enter a specific pickup date to determine an exact delivery date.
- Enter multiple destination locations when researching Transit Times.

2. Roll over the service center code to view contact information for each location. You can print service center contact details directly from the Transit Times results page by clicking Print Service Center Info.
