

WHEN IT COMES TO RESPONSIBLE PACKAGING, WE'RE COMMITTED.

100% of FedEx® packaging is recyclable, and 54% is made from recycled content.

You can be sure you're getting packaging that's as environmentally responsible as it is durable. And that can help make every shipment worry-free.

EVERY FEDEX PACKAGE IS 100% RECYCLABLE

FedEx envelopes are made from an average of 92% recycled content.

Every FedEx envelope delivery is carbon offset to minimize its impact on the environment. The Legal Size Reusable FedEx® Envelope is designed to be used twice.

92%

Recycled Content

FedEx paks are made from an average of 14% recycled content.

The FedEx® Reusable Sturdy Pak is designed to be used twice. FedEx paks (made from polyethylene) are easy to recycle anywhere plastic bags are accepted.

14%

Recycled Content

FedEx white boxes are made from an average of 46% recycled content.

With a wide variety of box sizes to choose from, it's easy to right-size your shipment, minimize waste, and maximize efficiency.

46%

Recycled Content

FedEx brown boxes are made from an average of 38% recycled content.

The tablet box, our first retail packaging to earn the EarthSmart® designation, is reusable, right-sized, and made from renewable resources.
