

June, 2016

Dear FedEx Customer,

Important Changes on FedEx Express service conditions when shipping in and out of Anguilla

Effective July 1, 2016 FedEx account billing options in Anguilla will change allowing our Global Service Participant, Professional Courier Services (Anguilla) Ltd., to be responsible for any account related options and billing service in market.

This means that your FedEx Account number will no longer be accepted as a valid form of payment when shipping from or to Anguilla unless the account had not been created in the Territory (i.e. FedEx shipping accounts opened overseas). Additional forms of payment will be cash, check or credit card.

If you have any outstanding invoices associated with your current FedEx account please review and send your payments along with the remittance advice to our authorized agency, NDBC (National Debt Collections Agency), within 30 days of the receipt of this letter.

Should you have any questions, please contact our Global Service Partner directly at 264.497.3575.

We appreciate your confidence and look forward to meeting your express shipping needs.

Sincerely,
